POSTOFFICE DRUG STORE.

A SPECIAL INDUSTRIAL EDITION.

As will be seen by an announcement on our front page we have in contemplation a Special Edition on a larger scale than we have ever before attempted.

Our facilities are so much better in every way we feel that we can handle this edition to much better advantage both to ourselves and to our patrons, and it shall be our purpose to make it contribute to the material advancement of the state.

Shakespeare says "there is a time in the affairs of men, which, if taken at the flood, leads on to fortune."

We believe that this flood time is now within the grasp of Florida and all she needs is to reach out active, willing hands to secure it.

We shall aim to make this Industrial Edition stimulate great efforts in this direction.

Meeting of the City Council.

The following members were present at the meeting of the city council Tuesday night, viz: Messrs. Edwards, Barco, Jones, Smith, Gates, Melver, Chace and Carmichael.

It was ordered that the books of city officials be checked up by an expert accountant.

A batch of bills were audited and ordered paid.

Interest on judgment up to July 1 was ordered paid.

Mr. Ford appeared before the body and stated that property holders in his part of the city were without fire protection. The matter was referred to the water and fire committee and a hydrant, in all probability, will be placed in that section of the city.

It seems that the wires for the new telegraph call box system were placed on the electric light poles without authority.

A committee was appointed to investigate the same.

Some dispute arising about the payment for a barrel of disinfectant it was ordered that same be returned.

The chairman of the street committee was empowered to pave all streets where the property owners would place in bank two thirds of the cost of grading and paving same.

The following persons were placed on the board of equalizers, viz:

William Hocker, city at large.
John L. Edwards, 1st ward.
G. S. Scott, 2nd ward, holdover.
George McKay, 3d ward.
T. J. Owen, 4th ward, vice Geo. A. Carmichael resigned.
Council adjourned.

No False Claims.

The proprietors of Foley's Honey and Tar do not advertise this as a "sure cure for consumption." They do not claim it will cure this dread complaint in advanced cases, but do positively assert that it will cure in the earlier stages and never fails to give comfort and relief in the worst cases. Foley's Honey and Tar is without doubt the greatest throat and lung remedy. Refuse substitutes. Post Office Drug Store.

Off for Jacksonville.

Messrs. E. P. Thagard, Walter Ray, T. C. Hall, R. S. Hall, L. Horn, J. M. Bell, Louis Lang and J. D. Pope, delegates from the sub-turpentine Operators Association of this district, left Wednesday for Jacksonville over the Seaboard Air Line railway to attend the State Turpentine Operators' Association.

After the adjournment of the association these gentlemen will go to the Continental at Atlantic Beach and spend a few days. It goes for the saying that they will have a splendid time.

Morris Smith to Entertain.

Morris Smith, who leaves on Saturday for Orange, Virginia, to spend several months with relatives, will entertain a number of his young friends this afternoon.

Morris is very popular among the younger set and his party will be a delightful affair.

The Game at Palatka.

The ball game played on the Palatka diamond by the Ocala Juniors and the Palatka Nine Chums Tuesday afternoon was a very interesting and hotly contested game. The Juniors knocked Palatka's pitcher out of the box the first inning, when they put in a pitcher from the first nine. Until the eighth inning the score was 3 to 1 in favor of the Juniors but in this inning the Nine Chums scored four runs on errors by the Juniors, thus putting the score 5 to 3 in favor of the home team. Fred Vogt, for the Juniors, pitched a magnificent game. The boys report a pleasant trip and say they were well treated by the Palatkas. They reached home at 12:30 o'clock Tuesday night.

The game will be repeated soon on the Ocala diamond.

The following was the score by innings:

Palatka . . . 0 1 0 0 0 0 0 4 0—5
Ocala 2 0 0 0 0 0 1 0 0—3

Mr. Stephen Jewett kept the score and Mr. Titus umpired the game.

Reading Club.

The reading club meeting with Mrs. J. J. Gerig Tuesday afternoon was a particularly pleasant one. The work for the coming winter was discussed. It has been decided to take up the study of the German writers, composers and painters and the members of the club expect to spend the winter months most profitably and pleasantly. A committee composed of Mrs. J. J. Gerig, Miss Minnie Gamsby and Miss Esther Weathers was appointed to get up the programs for the coming season.

During the remainder of the summer selections from Browning and several other poets will be read.

Mrs. Gerig treated the club to delicious lemonade during the afternoon.

The club will meet with the Misses Bullock next week.

Escaped and is Captured.

Sandy Hogans, one of the convicts out on the Marion Farms, seized one of the best mules on the place Monday and made a bold brake for liberty.

As soon as Mr. Pelot, the manager of the Farms, was informed of his escape he made hot pursuit and finally overtook the runaway in Gum Swamp, several miles south of Ocala.

The man refused to surrender and was shot with small shot. His wounds are not serious. The mule was also wounded.

While Hogans was escaping on the mule John Jackson took advantage of the excitement and escaped on foot and has not yet been captured.

The T.-U.'s Popular Plan.

"It was thought," says the Times-Union, "that the novelty of the plan would at least serve to attract attention, and that the state could never be more fittingly represented at St. Louis than by three of her fairest daughters, each bearing for gratuitous distribution three special editions of the Times-Union, profusely illustrated, and giving in detail the special attractions and advantages of each of the three sections in question."

Bronchitis For Twenty Years.

Mrs. Minerva Smith, Danville, Ill., writes: "I had bronchitis for twenty years and never got relief until I used Foley's Honey and Tar which has cured me." Post Office Drug Store.

Harrison—Williamson.

Mr. Jack Harrison, of Leesburg, was married to Miss Mamie Williamson Tuesday morning at 11 o'clock at the home of the bride in Gainesville, Rev. W. S. Carpenter officiating.

The groom is well known in this city and county, having lived here at one time. His friends here extend congratulations. Mr. and Mrs. Harrison passed through Ocala Tuesday afternoon on their way to Leesburg.

Rev. Henry W. Little will deliver an address on Pope Leo XIII at Grace Episcopal church Sunday morning at eleven o'clock.

ANTI-MONOPOLY DRUG STORE.

Having recently purchased the Anti-Monopoly Drug Store, I take this method of announcing to its former patrons, as well as to the public in general, that the prescription department is now better than ever prepared to handle this branch of the business with accuracy and promptness. Only the best and purest drugs will be used—no cheap substitutes permitted to enter into the make-up of prescriptions left here for compounding. The drugs used are from the well known house of Parke, Davis & Co., and others of equal reliability. We don't use "nearly the same thing" or "something just as good," but just what your prescription calls for. This last is of vital importance and is worth your while to think about.

STANDARD PATENT MEDICINES AND FULL LINE OF TOILET ARTICLES ALWAYS ON HAND.

Give me a call when in need of anything in my line. I guarantee to give you satisfaction on every article bought here. As to prices, I propose standing strictly on what the name ANTI-MONOPOLY would indicate.
